

**Our
Vision/Mission**

*To provide a warm,
secure and homely
environment, working in
partnership with parents to provide
the very best start for our children*

Our vision is to provide our children with the same opportunities whilst learning through play. By knowing every child is unique and they develop at their own pace, we adapt our teaching techniques to each individual child's needs. We teach our children to be respectful of each other and have an understanding of different beliefs, religions and cultures. By providing home cooked meals we are teaching our children the importance of healthy eating and an active lifestyle
